Hi Chris,

Thanks. Our water program had been sent the LTCP, so I got it this morning actually.

Thanks again,

Hi Brian:

Here is the CAG piece. The LTCP is on a disk – I'm having it copied and will send over.

Chris,

Hope you are well.

I was hoping to get a copy of several recent City documents.

The LTCP, which has not been posted to the DEP webpage yet, the City's June 18th presentation to
th

EPA, and the City's June 30 presentation to the CAG.

Attached is EPA's presentation to the CAG, regarding the pilot project, from this week.

Thanks, and have a good 4th of July.
